## EXPERIMENT

Date : 04.12.10

Name of experiment: Biology

I am a student from:             France             Germany  
    Italy             Poland

1. I have found the experiment session

21%        Very interesting  
72%        Interesting  
7%         Not very interesting  
0%         Of no interest

2. I have found the experiment session

0%         Very surprising  
50%        Surprising  
50%        Quite similar to what I am used to  
0%         Totally similar to what I am used to

3. I have learnt something new

30 % In science (physics, chemistry or biology)

Justify in a few words :

\_\_\_ N/A \_\_\_\_\_  
\_\_\_\_\_

24% In handling experiments

Justify in a few words : \_\_\_\_\_ To work independently and learn to lead a group of people working on a project. \_\_\_\_\_  
\_\_\_\_\_

41% In using new equipment

Justify in a few words :

N/A \_\_\_\_\_  
\_\_\_\_\_

None of these

5 % I had already handled a similar experiment in my school  
I already knew the science knowledge involved  
other: \_\_\_\_\_

4. I have found the experiment
- |     |                          |
|-----|--------------------------|
| 29% | Very easy to handle      |
| 57% | Easy handle              |
| 14% | Difficult to handle      |
| 0%  | Very difficult to handle |

If "difficult" or "very difficult" justify in a few words;

---

---

5. It was
- |     |                |                                       |
|-----|----------------|---------------------------------------|
| 21% | very easy      | for me to understand the instructions |
| 79% | Easy           |                                       |
| 0%  | Difficult      |                                       |
| 0%  | Very difficult |                                       |

If "difficult" or "very difficult", it was due to

- The language barrier
- The instructions themselves (scientific content)

6. The language training I received before coming has been

|     |               |     |         |
|-----|---------------|-----|---------|
| 21% | Very useful   | 79% | Useful  |
| 0%  | Not so useful | 0%  | Useless |

If "not so useful" or "useless" justify with ticking

0% I am used to being given instructions in English during experimenting sessions

0% I already mastered the required lexis

0% There were too many words to remember/learn

0% The training was not relevant for this experiment session

0% In spite of the training I still had difficulties in understanding the instructions  
other : \_\_\_\_\_

7. I have found the student instructors (tick the appropriate)

|     |               |
|-----|---------------|
| 24% | Efficient     |
| 24% | Clear         |
| 24% | Helpful       |
| 0%  | Friendly      |
| 0%  | Not clear     |
| 0%  | Not efficient |

If "not clear" or "not efficient", please justify in a few words:

---

---

---

## EXPERIMENT

Date : 04.12.10

Name of experiment: Chemistry

I am a student from:             France             Germany  
    Italy                 Poland

8. I have found the experiment session

66%        Very interesting  
34%        Interesting  
0%         Not very interesting  
0%         Of no interest

9. I have found the experiment session

27%        Very surprising  
46%        Surprising  
27%        Quite similar to what I am used to  
0%         Totally similar to what I am used to

10. I have learnt something new

21% In science (physics, chemistry or biology)

Justify in a few words :

\_\_\_ N/A \_\_\_\_\_  
\_\_\_\_\_

33% In handling experiments

Justify in a few words : \_\_\_\_\_ To work independently and learn to lead a group of people working on a project. \_\_\_\_\_  
\_\_\_\_\_

46% In using new equipment

Justify in a few words :

N/A \_\_\_\_\_  
\_\_\_\_\_

None of these

0% I had already handled a similar experiment in my school  
I already knew the science knowledge involved  
other: \_\_\_\_\_

11. I have found the experiment
- 13% Very easy to handle
  - 80% Easy handle
  - 7% Difficult to handle
  - 0% Very difficult to handle

If "difficult" or "very difficult" justify in a few words;

---

---

12. It was
- 27% very easy for me to understand the instructions
  - 66% Easy
  - 7% Difficult
  - 0% Very difficult

If "difficult" or "very difficult", it was due to

The language barrier

100% The instructions themselves (scientific content)

13. The language training I received before coming has been

- 34% Very useful
- 66% Useful
- 0% Not so useful
- 0% Useless

If "not so useful" or "useless" justify with ticking

0% I am used to being given instructions in English during experimenting sessions

0% I already mastered the required lexis

0% There were too many words to remember/learn

0% The training was not relevant for this experiment session

0% In spite of the training I still had difficulties in understanding the instructions  
other : \_\_\_\_\_

14. I have found the student instructors (tick the appropriate)

- 36% Efficient
- 23% Clear
- 27% Helpful
- 14% Friendly
- 0% Not clear
- 0% Not efficient

If "not clear" or "not efficient", please justify in a few words:

---
